

A guide to accessing leases in the Gulf of Mexico

Step 1: Choose which lease you are interested in learning about and find its “Lease Number”

Included below is a list of Gulf of Mexico leases in which affiliates of Kosmos Energy currently have an operating or non-operating interest, along with their Lease Numbers.

Step 2: Access the Bureau of Safety and Environmental Enforcement (BSEE) database and search by “Lease Number”

- a) Go to this page of the BSEE website:
<https://www.data.bsee.gov/Other/DiscMediaStore/ScanActiveLeases.aspx>
- b) Type the “Lease Number” for the lease you are interested in in the top-left column of the table
